A Fine range of Electrical Switches to redefine the way your home looks.  
Sleek and elegant looks to give a sharp edge to your walls.  
Great series promises you some great compliments.

## ABOUT

Smart has been associated with quality and customer satisfaction since its very inception. For over 3 decades smart lived up to the reputation of making reliable products that are designed in such a manner that it offers best quality to customer add the best value for the money smart offers a wide range of products built for day today modern living in homes & offices. Customer first has been at the core of the company policy. It is due to this policy smart has become a household name.

our customers Are not only the consumers but the brand ambassadors of our company ,their continued trust in us inspires and motivates us to becoming one of the best brands in our country.

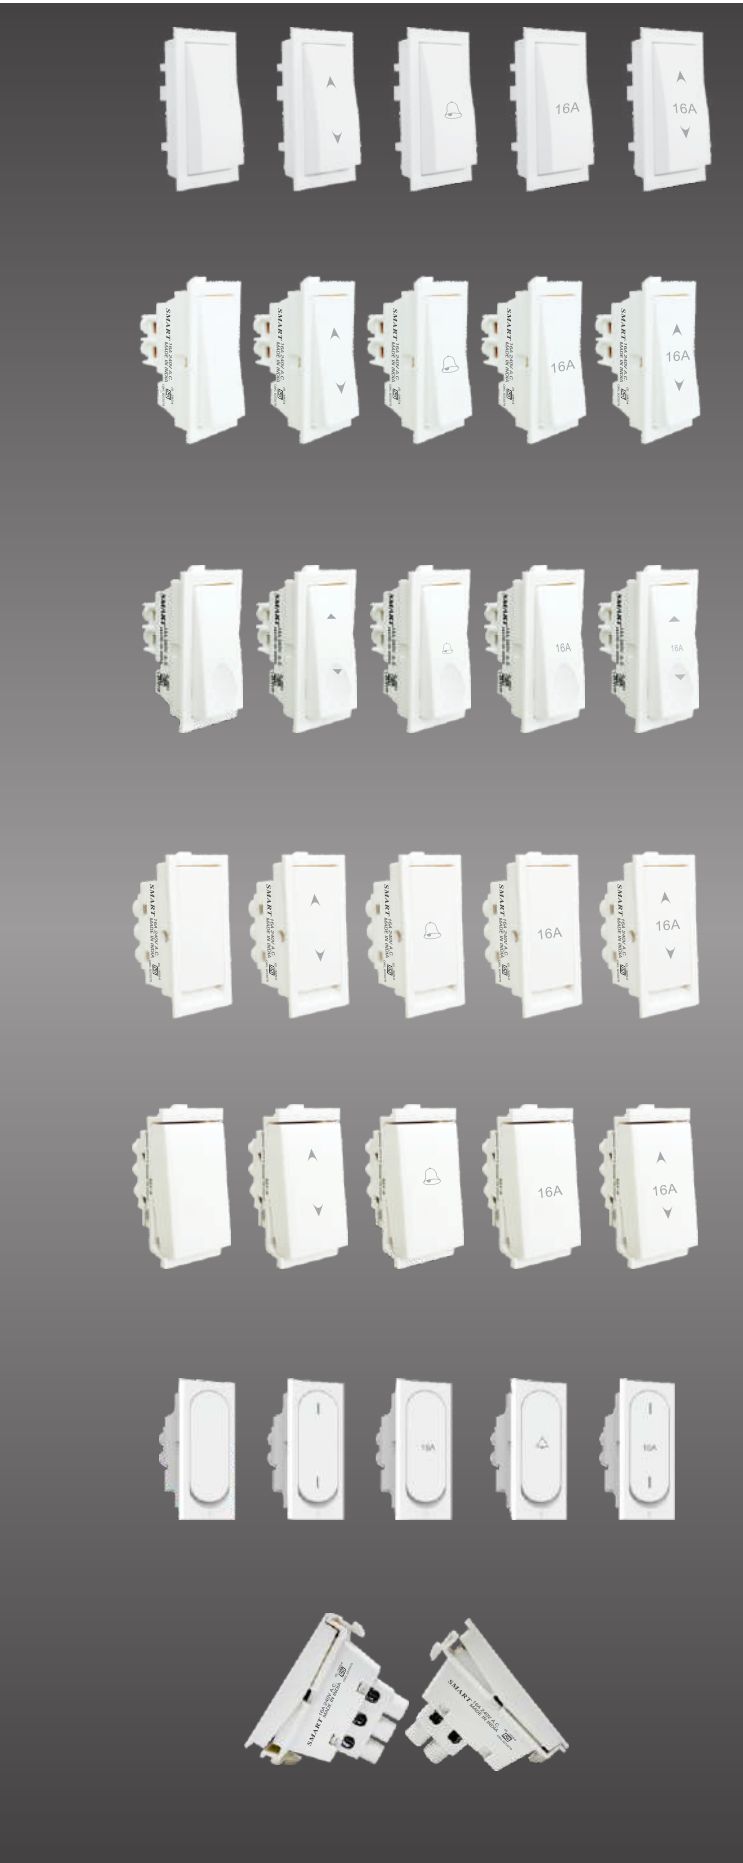

“TRUST” a simple word, that we take very seriously Switch to SMART Electrical Accessories. Trust towards providing the best product with maximum value for money to the people.

Some of The salient features off smart products are:

- Superior finish and sleek design of the front plate avoids dust accumulation.
- High grade polycarbonate material with highly gloss surface finish.
- Products are lab tested with stringent quality control measures.
- Highly electrolytic copper is used in the making of Switches, Sockets, Wires and Mcbs.
- Attractive packaging And aesthetics.

*The most Beautiful  
Switches ever!*

Presenting to you the newest member in the Smart Family....  
Just like you these Switches are Winner in there fields.

LET YOUR CLASS UNVEIL YOUR  
**LIFESTYLE**

*Winner* UREA SERIES

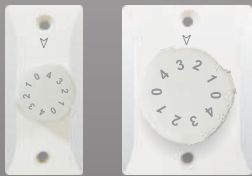

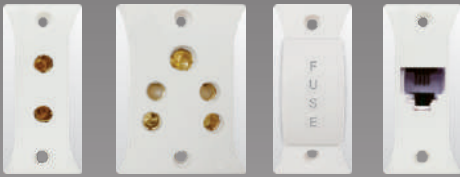

### ART MEETS STATE OF THE ART

surface finish so smooth and bright that you can't resist yourself from touching it repeatedly.. add to it the heavy brass parts raw material and urea powder which lends heavy duty performance while operating. Winner series from smart.

**MCB'S**

# A PERFECT BLEND OF

Design & Technology

CIRCUIT PROTECTION DEVICES

*Smart is happening...*

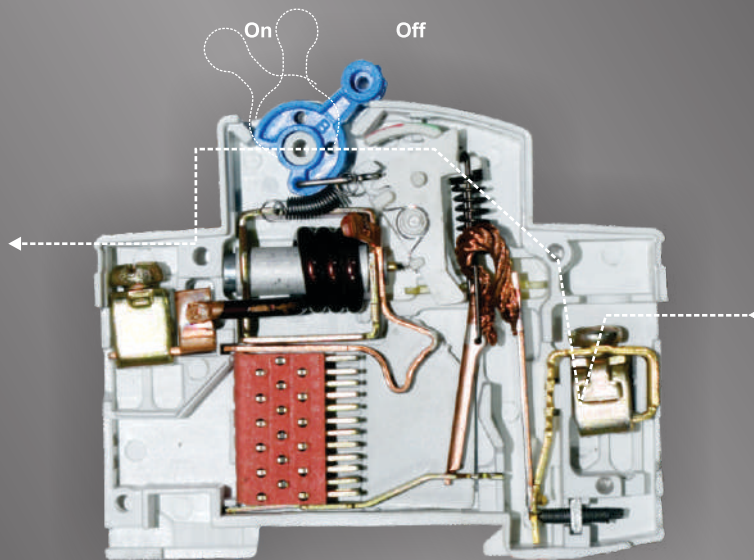

TAKE YOUR FAMILY'S SAFETY TO THE  
**NEXT LEVEL** WITH SMART

- **IP 20 PROTECTION**
- **ENERGY EFFICIENT**
- **TRIP FREE MECHANISM**

Get the best of both the world's  
affordability + reliability = Acceptability

**SMART SAFETY SOLUTIONS  
FOR YOUR HOME...**

### **Salient Features :**

- Current limiting clearance for short circuit fault clearance more than 10000A
- Trip free mechanism
- Tough fire resistant body
- Suitable for Din-bar mounting
- Wide range from 6A. to 40A.
- Convenient and sturdy terminals suitable for 1 to 125mm 2 Cables
- Wide range of power coated sheet metal and insulated enclosure also available

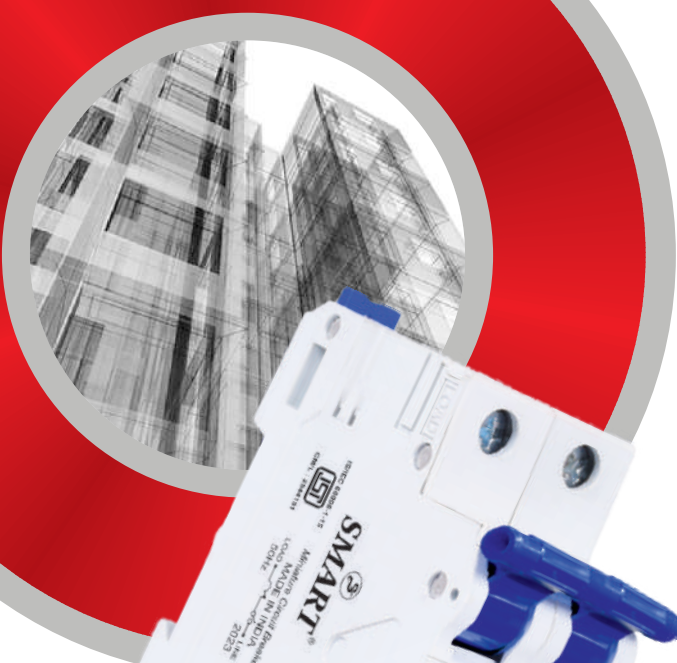

**IS/IEC:60898-1:2015**
